Dear Parents/Guardians

St Nicholas has been an incredibly busy place over the past week with so many of our learners participating in so many events.

We started off last Friday with our Grade 11s hosting over 400 learners from 15 other schools at a truly spectacular isiZulu Cultural Evening which was full of singing and dancing and good food. Whilst this was happening, our First Team Girls' Basketball team was competing in the Val Fowler Basketball Tournament at GHS. This is the largest girls' basketball tournament in the country and our girls did fantastically well to reach the semi-finals.

Our boys continue to play soccer at the highest level and are achieving the kind of results that will see them top their league at the end of the season. The school also hosted the semi-finals of the school debating league on Wednesday and this was followed on Thursday with the stage performance of our School Production. Our Grade 8 learners visited the SABC studios on Thursday with some even lucky enough to be pulled into the Ukhozi FM studios for a bit of on-air discussion. This was followed by a trip to The Playhouse to watch King Cetschwayo: The Musical.

We are continually trying to offer St Nicholights the opportunities for growth and discovery both inside as well as outside the classroom. We thank you parents for the late afternoon or evening pickups and other inconveniences that come with all of these events. We are always appreciative of parents who allow their children to experience different parts of the world that they would otherwise not get the opportunity to see.

Yours sincerely

Leon Grove
