Dear Parents/Guardians

Welcome back to the final term of the year. I hope everyone managed to spend some quality time with their children over the holiday period. Life seems to be so busy these days and we often forget how important it is to simply spend time with our children.

We are very proud of our 1st team basketball boys who participated in the Kearsney College Basketball Festival over the holidays. After some great performances they made the final only to be narrowly beaten by St Stithians in the final. We also had learners participating in the President's Award hike at Hilton College and a number of our students participated in a demonstration against climate change outside the City Hall. All of these activities help to develop well rounded individuals who can contribute to society in a positive manner.

This term we offer swimming, netball and hockey for the girls and basketball and swimming for the boys. Our Interact, Dance and Ecoclub will also continue. We realise that the fourth term means final exams are fast approaching and we will also be offering extra maths classes in the afternoons. Please encourage your child to participate in our programs so that they can get the most out of their schooling.

Yours sincerely

Leon Grove
