

Dear Parents, Guardians and Staff

**Cordwalles Choir Evening:** I extend my hearty congratulations and a well-deserved "Well done!" to Mr. Jumah and our choir. Their beautiful performance at Cordwalles has made us all proud. Mr. Jumah and the school choir delivered an outstanding performance at the Cordwalles Choir Evening. Their singing and dancing were nothing short of spectacular, and I am so proud of them. Here are the links for their performances:

**IP Tests and Exams:** As we approach the middle of the academic year, I wanted to remind you of the upcoming assessment tests and exams that will begin today, 27 May. These evaluations are crucial for your child's academic progress, and they must be well-prepared. To support your child in achieving their best possible results, I encourage you to ensure they dedicate time every evening to study and review their work. Here are a few tips to help them prepare effectively:

**Create a Study Schedule:** Help your child organize their time by creating a study schedule. This will ensure they cover all necessary subjects and topics without feeling overwhelmed.

**Designate a Quiet Study Area:** A quiet and comfortable study space can help your child focus better. Make sure they have all the materials they need, such as textbooks, notes, and stationery.

**Encourage Regular Breaks:** Studying for long periods without breaks can be counterproductive. Encourage your child to take short breaks to rest and recharge.

**Healthy Habits:** Ensure your child gets enough sleep, eats healthy meals, and stays hydrated. A healthy body supports a healthy mind.

**Positive Reinforcement:** Encourage and motivate your child with positive reinforcement. Celebrate their efforts and progress, no matter how small.

Your involvement and support can make a significant difference in your child's preparation and confidence. Let's work together to help our girls and boys perform to the best of their abilities.

Best regards,
