

Dear St. Nicholas Mums, Dads, and Teachers,

As we come to the end of this third term, I reflect on what has been a long, busy, yet very rewarding term for me as Head of the Junior School. I am pleased to share that all our stakeholders—parents, teachers, and children—have put their best foot forward to ensure a smooth and successful term.

Our children have embraced every challenge with positivity and enthusiasm, growing in leaps and bounds. To our supportive parent community, thank you for your cooperation and continued support of our children and school events. Your involvement makes a significant difference to our girls and boys and the vibrancy of our school.

We are also immensely grateful to the entire school administrative department, including our receptionist, admissions secretary, marketing clerk, aftercare staff, uniform shop staff, boarding staff and finance office staff. These invaluable team members ensure that the engine of our school never stops running. Their amazing work allows our girls, boys, and teachers to focus on our core business—teaching and learning.

Additionally, we owe a huge debt of gratitude to Mr. Mngwengwe and his maintenance team for their outstanding efforts in maintaining the general upkeep of our school buildings and gardens. Their hard work behind the scenes ensures that our school remains a welcoming and safe environment for everyone.

A special thank you as well to Mr. Khumalo, our Sports Coordinator, for ensuring the smooth running of our school's sports programme. His dedication to making sure that all our children play matches against our neighbouring schools is deeply appreciated. His hard work and commitment to our sports teams do not go unnoticed.

We are also deeply thankful to Reverend Hammond, our school chaplain, and Mrs. Bailey, our school counsellor, for their unwavering support of our children and staff. Their care and guidance during challenging times have been invaluable, and we are fortunate to have them as part of our team.

Our teachers have been exceptional, always going beyond the call of duty to create the best learning opportunities for our girls and boys. We are truly blessed to have such a dedicated and passionate set of teachers in our Junior School. Their hard work is more than ably supported by the leadership team Mr Topper, the school principal, Mrs. Hyland and Ms. Brown, our fantastic Heads of Department, who ensure that both our children and staff are well supported in every way, including their well-being.

As we head into the holidays, I wish you all a blessed and restful break. I hope you get to spend some quality time with your children, recharging for the final term ahead.
