Dear St Nicholas Community

That's a wrap! We have had a very productive and exciting term, definitely more ups than downs.

We are very grateful to have the support of our St Nicholas community and to have such wonderful children in our care. A big thank you to our phenomenal staff for all that they do and to our amazing Board for their loving service and support.

Wishing everyone a fantastic winter holiday. May this time be filled with fun, relaxation and cherished moments with our loved ones.
